On March 12, 2020, Governor Newsom issued Executive Order N-29-20, which enhances State and Local Governments' ability to respond to the COVID-19 pandemic based on Guidance for Gatherings issued by the California Department of Public Health. The Executive Order specifically allows local legislative bodies to hold meetings via teleconference and to make meetings accessible electronically, in order to protect public health. In light of this, this meeting of the MBARD Hearing Board will be held via Zoom webinar. There will be NO physical location of the meeting. The public is strongly encouraged to use the Zoom app for best reception. Due to the current circumstances, there may be limited opportunity to provide verbal comments during the meeting. Persons who wish to address the Board for public comment or on an item on the agenda are encouraged to submit comments in writing to MBARD by emailing orourke@mbard.org by 5:00 pm on Friday, April 9, 2021. Comments will be distributed to the Board before the meeting. Members of the public participating via Zoom will be muted during the proceedings and may be unmuted to speak during public comment after requesting and receiving recognition by the Chair. Should you have any questions, please contact Ann O'Rourke, Executive Assistant at 831-718-8028 or by email at orourke@mbard.org.
