

Monterey Bay Unified Air Pollution Control District
24580 Silver Cloud Court, Monterey, CA 93940

MEETING DATE: March 17, 2010
TO: The Air Pollution Control Board
FROM: Mike Sewell, Air Quality Engineer
SUBJECT: Addendum to Agenda Item Number 17

RECOMMENDATION

Replace the California Environmental Quality Act (CEQA) Status portion of the staff report with the following language.

DISCUSSION

At the Advisory Committee meeting a question was raised on the appropriate language to use relative to the applicability of CEQA. This question was raised to District Counsel, who suggested that this rule revision was more properly characterized as being exempt pursuant to the CEQA Guidelines Section 15308 (Actions by Regulatory Agencies for Protection of the Environment).

**California
Environmental
Quality Act
(CEQA) Status**

The proposed revisions to Rule 1010 are categorically exempt by Class 8 (Actions by Regulatory Agencies for Protection of the Environment), and therefore are not subject to the requirements of Public Resources Code Section 21000 et seq.
