

NOTICE OF PUBLIC HEARING &  
AVAILABILITY OF CEQA DOCUMENTS

NOTICE IS HEREBY GIVEN that a Public Hearing will be held by the Board of the Monterey Bay Unified Air Pollution Control District (MBUAPCD), to hear the following proposed regulatory actions:

consideration of the repeal of Rule 216 (Permit Requirements for Wastewater and Sewage Treatment Facilities). The repeal of this Rule is part of the District's continuing efforts to improve the consistency of its Rules and Regulations by removing outdated and unneeded provisions.

Place: Board Room, 3rd floor MBUAPCD Building  
24580 Silver Cloud Court  
Monterey, California

Time: 1:30 PM

Date: December 16, 2009

Copies of the proposed regulatory actions, including the staff reports addressing possible fiscal impacts upon regulated sources, and any analysis required by Health and Safety Code Section 40727.2, are available for inspection at the District office. Interested parties are invited to submit comments, to attend and participate at the hearing. Comments on the rules should be directed to:

Mr. Mike Sewell  
MBUAPCD  
24580 Silver Cloud Court  
Monterey, CA 93940  
(831) 647-9418 x230 (telephone)  
(831) 647-8501 (FAX)

Comments on the rules must be received no later than by 5 p.m. on December 2, 2009 to ensure inclusion in the District Board package.

Pursuant to the California Environmental Quality Act (Division 13 of the Public Resources Code), the District has prepared a Negative Declaration and Initial Study for Rule 216 which is being distributed for public review. The review period is from October 9 through October 30, 2009. Comments on the Negative Declaration should be submitted to:

Ms. Jean Getchell  
MBUAPCD  
24580 Silver Cloud Court  
Monterey, CA 93940.

Copies of the Negative Declaration and Initial Study may be obtained from the District by calling (831) 647-9411.
