APPLICATION FOR REGISTRATION OF AGRICULTURAL DIESEL ENGINES

- A. Application for registration must include this form and an Ag Supplemental Information Form (APCD Form R2) for **each** engine.
 B. This form must be **signed** by the legal owner/operator or other responsible official.
 C. **Filing fees as determined using APCD Form 400 must accompany the application.**
 D. Fees must be paid by check or money order; your canceled check is your receipt. (Cash will **not** be accepted).
 E. Further information or clarification may be obtained by writing or calling the Engineering Division at the Air Pollution Control District.
Note: Agricultural engines that require registration include those used to provide power for irrigation pumps, electrical generators, compressors, and wood chippers. Registration is not required for engines that are used to provide power for motor vehicles.

1. Registration to be Issued To:	2. Doing Business As:
----------------------------------	-----------------------

3. Mailing Address:

4. Counties Where Engine(s) Operate:

5. Are the Engine(s) Used Exclusively for Growing of Crops or Raising Livestock? Yes No

6. Is this application being submitted by an engine seller? Yes No
