“AIR EXPRESSIONS”

Clean Air Projects

Grants awards of \$250 – \$1,500 are available

The Monterey Bay Unified Air Pollution Control District is inviting teachers of 9-12 graders or community college students in Monterey, San Benito and Santa Cruz Counties to participate in an opportunity to challenge your students’ creativity and imagination to help clean the air.

Ideas and Examples of Students Projects/Lessons

Reduce Traffic and Air Pollution:

Create a plan and implement solutions to encourage fewer single family car trips and more walking, biking and group carpooling trips.

Clean Power:

Create projects with solar or other renewable alternative energy.

Board or Video Games:

Create a board or video game to increase knowledge and test skills on air pollution issues.

Design and Art:

Create a sculpture, painting, planting, welding or other projects. Create a visual or physical art piece, using recycled/sustainable products.

For a grant application or more information contact Julia Duran at 831-647-9411.

Deadline: January 31, 2011
