

**Fields of Data Stored in District Application Database
As of September 20, 2010**

1	APPNO
2	Application date
3	APPNOOnly
4	APPLIC TYPE
5	STATUS
6	PROJECT DETAIL
7	Vessel Name
8	Other Funded or being considered for funding
9	Organization or Company Name
10	Person who Filled Out Application
11	Primary Contact Name
12	Street
13	City
14	State
15	Zip
16	County where Veh or Equip is based
17	Vessel Berthing Location
18	Primary Contact Phone Number
19	Person with Contract Signing Authority
20	Project Address if diff
21	Portable pump Motor
22	Stationary pump motor
23	Specify another motor type if applies
24	Base Veh or Equip Cost
25	Base Veh or Equip Type/Function
26	Street Sweeper
27	Solid Waste Coll Veh or Equip
28	School Bus
29	Urban Bus
30	Other Transit
31	Other Heavy-Heavy Duty Veh or Equip
32	Other Medium-Heavy Duty Veh or Equip
33	Other Light-Heavy Duty Veh or Equip
34	Other Veh or Equip
35	Base Veh or Equip ID Number if applies
36	Base Veh Registered in Calif at least 3 Previous Years
37	Base Veh or Equip Make and Model
38	Vessel Make and Model
39	Gross Tons or GVWR
40	Base Veh or Equip Year
41	Vessel Year
42	License Plate if applies
43	VIN if applies
44	Base Veh or Equip Serial No if applies
45	Base Veh or Equip Owner
46	Vessel Owner
47	Base Fuel is Diesel
48	Base Fuel is Gasoline

49	Base Fuel is NG
50	Base Fuel is Electric
51	Base Fuel is Propane
52	Base Motor ARB Cert EO No
53	Base Motor EPA Family Number
54	Base Motor Make and Model
55	Base Motor Serial Number
56	Base Motor Horsepower
57	Base Motor Year
58	Base Motor Tier
59	Base Motor Rebuild Cost
60	Base Motor Displacement Ltrs
61	Base Motor Displacement No Cyl
62	Check if motor previously funded by Moyer grant
63	Check if will also use PG&E AG-ICE program
64	DOT Interstate No if applies
65	California Highway Patrol Number
66	Annual Miles Traveled
67	APP NOTES
68	INSP NOTES
69	Number of Propulsion Motors on this Veh or Equip
70	Number of Aux Motors on this Veh or Equip
71	Number of Propulsion Motors to be Repowered
72	Number of Aux Motors to be Repowered
73	% fuel to Propulsion Motors
74	Annual Gallons of Fuel Used
75	Year of Fuel Use Reported
76	Annual Hours of Operation
77	Primary Use
78	% Operation in Air District
79	% Operation in California
80	% Oper inside 10 mi from California coastline
81	% Oper inside 10 mi from SC or Monterey coastline
82	Project Life in Years
83	New Motor EPA Family Number except electric
84	New Motor Make and Model
85	New Motor Tier
86	New Motor ARB Cert EO No
87	New Motor Horsepower
88	New Motor Year
89	New Motor Serial Number
90	New Motor Displacement Ltrs
91	New Motor No Cyl
92	Project Fuel is Diesel
93	Project Fuel is Gasoline
94	Project Fuel is NG
95	Project Fuel is Electric
96	Project Fuel is Propane
97	New Motor Cost
98	New Motor Installation Cost
99	New Motor Remanufacture Cost
100	New Veh Adjusted Loan Value

101	Preferred Model Year of New Equip Purchase
102	New Veh Gross Tons or GVWR
103	New Veh or Equip Make and Model
104	New Veh or Equip Year
105	New Veh Ser No
106	Projected Year of Purchase of New Equipment
107	New Veh or Equip Number of Engines
108	New Veh or Equip Cost
109	Yes a repower engine is available meeting current CA standards
110	New Veh Lic Plate
111	New Veh VIN
112	New Veh DOT Interstate #
113	New Veh CHP #
114	New Veh or Equip Registered Owner
115	New Veh or Equip Vendor
116	Check if EMU to be installed
117	EMU make and model
118	EMU Model Year
119	EMU ID Number
120	EMU Cost
121	YES a retrofit will be added to the new main engine
122	Retrofit EPA Family Name
123	Retrofit ARB Cert EO No
124	Retrofit Device Make
125	Retrofit Device Name
126	Retrofit Device Serial Number
127	Retrofit Device Cost
128	Retrofit Verif Level
129	ARB-Verif NOx Reduction (%)
130	ARB-Verif PM Reduction (%)
131	ARB-Verif ROG Reduction (%)
132	Cost to Maintain Retrofit Device for Project Life
133	Cost of Retrofit Device Warranty
134	Cost to Install Retrofit Device
135	New Motor Installer
136	Maximum Rated Lift Capacity pounds
137	Forklift Class
138	Hour Meter
139	Will have a functioning hour meter for project life
140	Forklift will be for existing operation or facility expansion
141	Length OA feet
142	Lease forklift to others
143	Check if Wet Exhaust
144	Commercial Fishing Boat
145	Charter Fishing
146	Crew and Supply
147	Towboat
148	Work Boat
149	Other Commercial Use
150	US Coast Guard Doc No
151	Calif F and G Number
152	Does Vessel Remain in Port

153	Which Fishing Permits if any
154	Electric motor EPA family if applies
155	Electric motor make and model
156	Electric motor KW
157	Electric motor Cost
158	Electric motor Serial No
159	Electric Motor Year
160	Electric motor Vendor
161	Applicant name
162	Preparer name
163	Preparer date
164	Written documentation
165	Base functioning hour meter
166	Documentation plus current hour meter
167	Other documentation
